

In Her Own Sweet Time: Egg Freezing and the New Frontiers of Family (Paperback)

By Rachel Lehmann-Haupt

Nothing But the Truth, LLC, United States, 2016. Paperback. Condition: New. Reprint. Language: English. Brand new Book. This trailblazing memoir examines the trials--and modern scientific solutions--of balancing career and love with the realities of reproductive timing. Women are making massive strides in gender equality, edging out men as the new majority in the workforce. But, because of their brief window for childbearing, this also means a drastically shifting paradigm for motherhood and family planning. In this 2nd edition, Lehmann-Haupt has updated the inspiring, honest account of her own efforts to reconcile modern love and modern life with the latest medical research. In Her Own Sweet Time will resonate with a generation of young women who want it all--career, family, and the perfect partner--but haven't yet figured out how it all fits together. Join Lehmann-Haupt as she interviews women and travels the world to explore and understand the new frontiers of family.
